PURE FOODS AND PURE MEDICINES
mean better, healthier, happier people. It has been proved, however, that all medicines are not adulterated and worthless any more than are all food products.

The wheat has been sifted from the chaff, and such medicines as Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs and complies with all conditions of the Pure Food and Drugs Law, will continue to hold its place as the standard American remedy for female ills.

HOME AGAIN

The touring party of Mr. R. L. Hoeflich that has been doing the old country the past three months will reach New York today en route home. There are five Mayavick people in the party and their trip has been an educational feast.

CAUGHT IN THE ACT

Two men boarded an Eastbound C. and O. car at the West End Depot last evening billed for an up-river way station. Shortly after the train pulled out from this city they were caught in the act of taking a drink of whisky from a bottle, and were immediately arrested by a Detective whose special line is to look after just such ducks, who are devoid of decency and the rights of respectable passengers. When the train arrived at Vanceburg they were taken before the Mayor and were fined \$15 and costs each. Served them right.

Mr. and Mrs. Frank Gallenstein of West Fourth street entertained last evening with an elaborate dining in honor of Mr. and Mrs. Frank Wolfe of Chicago, bride and groom, en route East on their bridal tour. The affair was one of the social events of the season, and was enjoyed by a large assemblage of relatives and friends. Among the number present were Miss Margaret and Mr. John Gallenstein of this city.

Prof. Andrew Venie furnished delightful music, and dancing was among the pleasant features of a most highly enjoyable evening.

TIMOTHY BUCKLEY.

Mr. Timothy Buckley, one of Mayavick's highly esteemed citizens, passed away yesterday afternoon at 3 o'clock at his home in Carlo street, after a protracted illness with Bright's disease, aged 63.

He was born in Limerick, Ireland, and came here when a small boy, and had lived his long and useful life in this city and county, respected and loved for his general worth and upright character.

He leaves four daughters and five sons—Mrs. Eunice Myall, Misses Mary, Margaret and Katherine Buckley, John, Timothy D. and James Buckley of this city, Edward and Thomas Buckley of San Francisco, Cal., and also two sisters and two brothers, Mrs. Thomas Maley of the county and Mrs. Chris Moore of Ewing, Thomas Buckley of Paris and John Buckley of this city.

Funeral Friday morning at 10 o'clock from St. Patrick's Church. The remains will be laid to rest in Washington Cemetery by the side of his wife, who preceded him to the grave four years ago.

MRS. MARY JANE SCOTT.

Mrs. Mary Jane Scott died Wednesday morning at the home of her son, Wylie Scott, in Ellisburg, O., after a several months' illness, aged 69.

Funeral this afternoon at 2 o'clock from her late home. Interment in Martin's burying-ground.

Down at Cincinnati, fines aggregating \$1,000 have been assessed against motor boat owners for alleged violations of the admiralty laws on the Ohio river. Names of the alleged violators will not be divulged until the fines are sustained at Washington City.

TAKE NOTICE

Mayavick Aerie of Eagles will meet tonight and all members are invited to attend. After an address by a Representative who attended the annual meeting of the Grand Aerie, a luncheon will be served. You don't want to miss it.

ELLIOTT MONUMENT

The monument in honor of the late Judge John M. Elliott, erected on the Courthouse lot at Catlettsburg by his widow, will be unveiled October 3d, with addresses by Hon. James B. McCreary and Judge E. C. O'Rear.

Judge Elliott was assassinated by John Buford on the steps of the Capital Hotel at Frankfort on March 26th, 1879. He was a member of the Court of Appeals, and had decided a case in which Buford was one of the litigants, who met the Judge soon afterward and without warning shot him down.

Proprietary Medicine Frauds Should Be Exposed

There have been plenty of them, no doubt, and they have been vigorously condemned—no vigorously that every sort of medicine the formula of which is privately owned is condemned and pronounced "unethical" by the Medical Profession. Eckman's Alternative deserves attention, not because it is a "proprietary" but because it really has cured many cases of Tuberculosis. If it is a fraud it needs exposing badly, because a number of cured Consumptives will need to find some other reason for being well.

Henry Clay said he would rather be right than be President. Is it not better for Eckman's Alternative to make cures than to be ethical? Weldon, Ill., Feb. 3, 1906. In July, 1905, my physician sent me to Texas, from there to Colorado. I became worse and was sent home to die. I heard of Eckman's Alternative, began treatment, and was cured. I earnestly recommend Eckman's wonderful cure for Consumption. (Signed affidavit) Arthur Webb. Eckman's Alternative is good for all Throat and Lung troubles, and is on sale in Mayavick by J. Jas. Wood & Son and other druggists. It can also be obtained at or procured by your local druggists. Ask for booklet of Cured Cases or write for Evidence to the Eckman Laboratory, Philadelphia, Pa.

Worms

"Cascarets are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape worm 45 feet long. It was Mr. Matt Frock of Millersburg, Dauphin Co., Pa. I am quite a worker for Cascarets. I use them myself and find them beneficial for most any disease caused by impure blood." Chas. E. Condon, Lewistown, Pa. (Mifflin Co.) Pleasant, Palatable, Potent, Taste Good. Do Good. Never Sicken, Weaken or Grip. 10c, 25c, 50c. Never sold in bulk. The genuine tablet striped C C C. Guaranteed to cure or you money back.

Children's Eyes

Should be examined by the optician who uses modern instruments and modern methods. The trial case and test card are worthless if the child cannot read. Would your physician give the child an assortment of drugs to taste and then prescribe the one the child liked best? Does the child know any more about optics than he knows about drugs? Get your own glasses where you please; you have had your chance in life. Give the child a chance by taking him to the best optician you can find.
